JAKOPARTS

CHASSIS Suspension parts | Steering component | Wheel bearing kit | Damping parts

Rolling: Shock absorber for Asian models.

**Rolling: With shock absorber from our Jakoparts range.**

Shock absorbers, the link between wheel suspension and body, are subjected to high safety requirements while driving. Therefore, the right choice of shock absorbers is essential for driving safety. Shock absorbers from the Jakoparts range fit perfectly and are designed for the specific vehicle. Here we apply particularly high selection standards.
