

Herth+Buss use of logo

The Herth+Buss Fahrzeugteile GmbH & Co. KG company logo may only appear on a white background. The even white frame around the logo must always be maintained. Please request our negative logo if you wish to place the logo on a coloured background.

Please note that the key visuals (dog+sumo) may not be used.

The rights to all visual material belong exclusively to the company Herth+Buss Fahrzeugteile GmbH & Co. KG and may not be passed on to third parties without expressed permission.

Our images may only be used on the internet with the Herth+Buss watermark! Any unapproved use is impermissible and will lead to prosecution in civil and criminal proceedings.

Written approval must be obtained from Herth+Buss before any publication.
